Please answer each of the questions below, if applicable. Missing or incomplete information may delay review of the proposed changes.

1.0 Describe proposed change(s). Complete Appendix A (if necessary) and amend SDAR (Refer to Appendix C).

[This is an optimization change to benefit BAC2&4 students in addition to BAA2 students. Corporate Finance 1-FINA-3042 will move to the BAA program (Level 5) from the BAC2 & 4 program (Level 4) and will be replaced with Project Management - Mgmt-3011. Both courses are 3 hours x 15 weeks = 45 hours in length. The project management is a better fit for the BAC students, while the level of difficulty of corporate finance is better suited for the BAA students. This has a cascade effect in BAA2 and will require Corporate Finance 2 - FINA-3043 to be moved to level 6 and Financial Accounting - Adv - ACCT5018 to replace it in level 5.
